## FORD LEADERSHIP PROJECT

In February a group of residents in White City began a series of trainings to develop community leaders. The Ford Family Foundation from Roseburg awarded a grant to White City which will pay for 5 years of leadership training.

The class chose to construct a covered picnic area in Burns Park. The project must be completed within a year and the class must finance it. We can apply for a \$5000 grant from the Ford Foundation.

If you are interested in contributing towards this project see Joy.

Your support is needed to add this feature to Burns Park.

**Member News**

**Lorane Zimmerman** is doing much better. She is not so dependent on her oxygen supply, however, still tires easily. She hopes to return to the pool for light exercise after June 13th.

**Taylor Richerson** has more energy and is getting around better since he started an experimental chemotherapy program. He hopes to return to lap swimming later this month.

**Bud and Lois Buck** provided the staff with a going-away cake to thank us for making their pool experience so rewarding. They are traveling to Washington to see their son who was injured while serving in Iraq. After that they will spend time traveling. We will miss them.

**Sarah Fitzpatrick** returned to the pool after having surgery on her leg. She is gradually getting her strength back.

**Dan Camden's** father is seriously ill. He and Carleen recently took the family to Portland to see him.

**Dorothy Stecker's** mother whom had been living with Dorothy passed away on May 17th. The funeral will take place in Ione, Washington.

**.YARD SALE**

The 11:00 Aerobic Fitness Class put on a yard sale. Thank you for all the hard work and time the class members donated to make money for the pool and the swim team.

The weather did not cooperate with it being cold and rainy the first two days with a little sunshine thrown in on Saturday.

They deposited **\$317.23**. We appreciate all their enthusiasm and willingness to make this event a success.

**POOL FLOAT WINS RED RIBBON**

A big thank you to **Rae Mooring** for heading up our Memorial Day float committee and to her husband, **Walter** for building such a realistic howitzer. This was the type of gun used at Camp White during the war.

Our float decorators were: **Ann Kalafut, Teresa Smith, Jodie Smith, Joshua Case, Stephanie, Jada, and Keanu Mather.**

**Eddie Mather and Walter Mooring** did the heavy duty construction. **Carl Case** allowed us to use his ATV trailer. **Curt and Barbara Reich** pulled the trailer with their truck in the parade.

We are planning a float for next year. Having many hands to help decorate make it easier on all.
