## LIQUID CHLORINE AGAIN!

John Blanchard installed our chlorine pumping system on Monday, July 27th.

This system utilizes the same pipes as were necessary for the salt system so if we decide to return to the salt system the changes in the piping will be minor.

We had been adding chlorine by hand since the 12th of June which meant someone needed to be here every day of the week to insure the chlorine level was correct even when the pool was closed.

We will keep the chlorine level between 1.0 and 2.0 parts per million. The Health Department requires us to keep it between 0.8 and 5.0.

This summer we have been backwashing twice a week so you may have noticed the extra water in the pool on Wednesday and Friday since backwashing will take about 2 inches of water out each time.

The pool has stayed sparkling clean thanks to the extra backwashing and the addition of a phosphate remover once a week, and the use of the showers by our users before swimming.

## KEEP OUR WATER SPARKLING!

You help keep our pool clean by showering before you enter the pool. If you leave the pool to use the bathroom you should shower again before reentering the pool.

Anyone who has diarrhea should wait two weeks after the last symptom to use any public pool.

Plastic pants over swim diapers on our tots provide additional pool protection.

## MONTHLY SWIM LESSON TIMES

**Tuesday & Thursday**  
September 1 - 24th

9 - 11 A.M.  
2 - 4:30 P.M.  
5:30 - 7:30 P.M.

**Wednesday**

6:30 - 7:30 P.M.

## \$\$\$FINANCES\$\$

**June, 2009**

**Income \$17,471.91**

**Expenses \$14,232.13**

**Net \$ 3,239.78**

### DONATIONS

*\$70 in Memory of Edna Brandt*

## Member News

**Virginia Cohoon** fell as she was dressing, broke her pelvic bone in two places. She now has hospice care and is bedridden. Cards would be appreciated.

**Mary Arias** has been working out at the pool again between surgeries on her hammer toes.

**Smoki Donaldson** visited us recently after spending many months at a rehabilitation center treating an infection in her knee replacement. She hopes to get back to her arthritis class as soon as the doctor says the knee is completely healed.

**Lenore Gebhard** is having difficulty with her balance. She has fallen several times and needs someone with her all the time. **Lenore** has not attended fitness classes at the pool for some time. She was a Pool Board member for six years.

### WATER ZUMBA

Annie Lindauer, a certified Zumba instructor, is teaching floor Zumba which is salsa dancing at the Rogue Valley YMCA. She will offer a water Zumba class starting on Tuesday, September 1st from 7:30 to 8:30 P.M. The class is scheduled on Tuesdays 7:30 to 8:30 P.M. and Saturdays from 10:30 to 11:30 A.M.

**“Zumba combines high energy and motivating music with unique moves and combinations that allow the Zumba participants to dance away their worries. “**

Since this is a special program we are charging a drop in price for everyone of \$7 a class. The instructor will teach from the deck so you can see the dancing moves.

**MARK YOUR CALENDARS 9/1/09 AND DANCE IN THE WATER TO FITNESS!**

### POOL CLOSURE

We are in the process of determining when to drain the pool and scrub away the stains on the bottom of the pool as well as clean the building. It has been two years since we thoroughly cleaned.

In order to have everything in place we plan to close on September 27th through October 3rd.

If we can get everything done, water back in the pool, heated and ready; we could open earlier than the scheduled October 3rd.

We never know until we empty the pool how much actual time is necessary to get everything done. Last time the cleaning crew didn't show up and it took a couple of days to get someone else lined up.

**POOL CLOSED**

Monday, Sept. 7th

**Labor Day**
