Healthy Families - Vibrant Community

Cascade Community Pool Corporation 7800 Division Road White City, Oregon 97503

Mission: *providing the opportunity to enjoy the year-around benefits from a deep, warm-water, indoor pool through recreational activities and classes which enhance the health and safety of our community families.*

November 24, 2009

Dear Friends of Cascade Community Pool,

Thank you for your support of the Cascade Community Pool, a valuable asset in our community. So valuable that ten years ago when the pool in White City was closed a group of community residents banded together, formed a nonprofit organization, and assumed management of the Pool for the Eagle Point School District. Since that time, our pool has acted as a resource to our community, enriching the lives of our children and the young at heart.

To celebrate ten years of community-based management, respond to current economic realities, and ensure the future of the Pool, the Board of Directors has recently developed a five-year strategic plan. We are seeking your help to continue our programs and maintain the high quality of service we now offer that benefits hundreds of people just like you. *Ardyce has lowered her blood pressure and increased her range of movement through lap swimming. Pat can now turn over in bed without pain thanks to the back wellness class. Savannah, a five year old, is swimming the length of the pool during her swim lessons.* Think of what the pool means to you and your family. Your investment in our pool will:

- Provide a salary for an executive director so our **volunteer pool manager**, Joy Reich, who has contributed her time for the past ten years can retire
- Continue offering sliding scale scholarships for low income people
- Provide free "Water Safety" classes for all Eagle Point School 3rd graders
- Create a fund for capital improvements (e.g. Painting the inside of the pool, replacing the pool heater)
- Keep the pool maintained and in good repair
- Employ the necessary people to provide fitness and swim lesson programs for our upper Rogue community

Any size gift makes an incredible difference. Your support will allow us to continue our programs and maintain the high quality service you've come to depend upon.

Sincerely,

Alice Orcutt, Cindy Sweet, Joy Reich

The Cascade Community Pool Fund Raising Committee

P.S. We hope we can count on your support. We need your partnership during these tough economic times. Remember, your gift is tax deductible.
